Date 2 =

Dear :

This letter responds to your letter dated August 4, 2014, and subsequent correspondence, submitted on behalf of X by X's authorized representatives, requesting a ruling under §§ 301.9100-1 and 301.9100-3 of the Procedure and Administration Regulations, that X be granted an extension of time to file an election to be treated as an association taxable as a corporation for federal tax purposes under § 301.7701-3(c).

FACTS

X was formed on Date 1 as a State limited liability company. X intended to elect to be treated as an association taxable as a corporation for federal tax purposes effective Date 2. However, X inadvertently failed to timely file a Form 8832, Entity Classification Election.

LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7) or (8) (an eligible entity) can

elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with a single owner can elect to be classified as an association (and thus a corporation under § 301.7701-2(b)(2)) or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(1) provides that except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a domestic eligible entity is (i) a partnership if it has two or more members; or (ii) disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides, in part, that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832. An election will not be accepted unless all of the information required by the form and instructions, including the taxpayer identifying number of the entity, is provided on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no date is specified on the election form. The effective date specified on Form 8832 can not be more than 75 days prior to the date on which the election is filed and can not be more than 12 months after the date on which the election is filed. If an election specifies an effective date more than 75 days prior to the date on which the election is filed, it will be effective 75 days prior to the date it was filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code (Code), except subtitles E, G, H, and I. Section 301.9100-1(b) defines a regulatory election to include an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides automatic extensions of time for making certain elections. Section 301.9100-3 provides extensions of time for making elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

CONCLUSION

Based solely on the facts submitted and the representations made, we conclude that the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. Accordingly, X is granted an extension of time of 120 days from the date of this letter to elect to be treated as an association taxable as a corporation for federal tax purposes effective Date 2. The election should be made by filing Form 8832 with the appropriate service center. A copy of this letter should be attached to the Form 8832.

This ruling is contingent on all U.S. persons affected by this ruling filing within 120 days of the date of this letter all affected required federal income tax and information returns (including amended returns) consistent with the requested relief. A copy of this letter should be attached to any such returns.

Except as expressly provided herein, we express or imply no opinion concerning the tax consequences of any aspect of any transaction or item discussed or referenced in this letter.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) of the Code provides that it may not be used or cited as precedent.

In accordance with a power of attorney on file with this office, we are sending a copy of this letter to your authorized representatives.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

Sincerely,

Associate Chief Counsel
(Passthroughs & Special Industries)
